Languages GUI	English / Traditional Chinese (*)		

(*)Feature Enhance

Powerful NVR Application

- * It's a powerful NVR supports Real-time live viewing, recording and playback on different channel at the same time
- * Client Utility as IP Finder program to help users to search NVR and IP CAM at the same time by your PC
- * Build Suitable Screen Resolutions (1366 x 768, 1680 x 1050, 1024 x 768, 1280 x 1024, 1440 x 900) TBD
- * Advanced recording by round-the-clock, motion detection, alarm and schedule
- * Record live audio streaming with up to 64 CH
- * Build Intelligent WATCHDOG technology in side
- * Remote backup to save *.AVI and *.JPEG functions through network
- * Video Analytics compatible with OV technology (Optional) TBD(*)

Easy Installation and Operation

- * Utilizing complete functions supplied by IP cameras and easy configuration
- * E-Map Ready: The friendly graph interface allows enables users to set up multi-level position.

Miscellaneous

- * Certification: CE,FCC
- * Support Client: Microsoft XPP/2003Server/Vista
- * Box Shipping Weight: TBD
- * Dimension : TBD
- * Power Supply: Internal Power Adapter TBD

Package Content

- * One Hybrid Network Video Recorder (HNDVR)
- * One AC Power Cord
- * One Ethernet Cable (RJ-45 type)
- * One Installation CD-ROM
- * One Quick Installation Guide (7 Languages)
- * One set Keyboard & Mouse (Optional)
